You must be able to guarantee that you currently have the funds in **U.S. Dollars** available to cover the cost of one academic year (**\$14,000**). You must also ensure adequate funding will be available from the same or equally dependable source for your entire academic career. You have two options, as listed below, for proving your financial resources.

2. If the bank account is not in the name of the student, then a **Financial Letter of Support** is required from the account holder (even if the account is in the name of the parents).
3. **Emails, faxes, or copies of the Confirmation of Financial Resources form or bank letter WILL NOT be accepted. The student must submit original/official signed financial documents along with a copy of the bank statement.**
4. You can submit the Confirmation of Financial Resources in person with an International Student advisor in the Administrative Services Office at the campus you plan to attend, Monday– Friday 8am to 5pm or by mail at the address listed below.
